

Huntstile Farm Weddings

Huntstile is a family-run farm set in the foothills of the Quantocks.

Our picturesque 15th Century farmhouse offers an idyllic backdrop to your special day, creating unforgettable moments amidst the beautiful countryside and rolling hills.

This historical, quirky, Grade II listed farmhouse has stood here on this gently sloping land since 1435. Retaining many of its original features, Huntstile has been home to generations of families over the last 600 years.

We have a choice of interior and outdoor spaces for your ceremony and our elegant dining marquee will seat up to 150 guests. There are 2 additional reception rooms, 9 lovely, individual en-suite bedrooms and log cabins accommodating up to 31 in the winter, with the addition of camping pitches and bell tents in the summer months.

Our fabulous kitchen team produce delicious, locally sourced food to our guests and we have an excellent, dedicated, friendly team of staff who want to make sure your whole day runs smoothly.
